Re: *United States v. Mayra Monsanto*, 18 Cr. 802 (CM)

Dear Chief Judge McMahon:

I represent Mayra Monsanto in the above-referenced matter. I write to request that Ms. Monsanto's sentencing be rescheduled from April 30, 2020, to any day the weeks of July 13, 20, or 27, 2020, at a time convenient for the Court. An adjournment of Mr. Monsanto's sentencing is necessary given the global pandemic that has affected my ability to meet and speak to my client and the necessary affect it has had on Court operations. Ms. Monsanto, a sixty-two-year-old woman with a myriad of health conditions, is suffering from what appears to be the COVID-19. I have conferred with the government and it joins in this application.

Respectfully submitted,

César de Castro
